

## Granville Wells Playground Project:

Granville Wells is kicking off a project to fund an expansion of our current playground. This new section of the playground will include unique equipment that is fun, safe, and wheelchair accessible. We need your help! Here are a few ways you can support this project:

**AMERIGAS:** Tell everyone who uses AmeriGas as their propane vendor to save their receipts. Our project will receive money for each gallon purchased. The AmeriGas customer does not have to have a student at Wells. Just bring the receipts to the school office.

**McTeachers' NIGHT** – February 6 from 4 – 7pm, at Lebanon McDonald's location. A percentage of all sales will be donated to the Granville Wells playground project. We encourage your family to join us for a fun evening out, while seeing your teachers in action at McDonalds.

**COMPANY SPONSORSHIPS** – Ask your employer if they offer community grants or matching donation programs. If your company has a program, please contact Mrs. Stanley with the information.

Watch the newsletter for new opportunities to support the playground project.
