

GRANVILLE WELLS M.A.T.H. BOWL

Hello! Thank you for your interest in joining the Granville Wells 2023 M.A.T.H. Bowl team! Mrs. Kim Bloss will be the coach for this year's team.

The team performed very well last year, and we are looking forward to exceeding last year's score. The team will consist of 20 students (4th-6th grade)- four teams of three students and eight alternates. If more students show interest than spots available, there will be cuts. Besides strong math students, we are looking for thinkers, problem solvers, and positive teammates. The competition will be held at 5:30 on April 11th. Practices will be held in the room next to Mr. Barker (6th grade hallway).

Practices will be held after school on Mondays and Wednesdays. Please be at the main doors at 4:00 to pick up your student. **Students must have a ride home.** Students may bring a snack and drink for after school.

Please return the permission slip at the bottom of the page to room 168 or the office by Friday, January 27, if you wish to participate.
